Travel Club Meeting 27.01.2018

Out standing balances for Montenegro are due in February

As there is not a Travel Club Meeting in February - may I ask that cheques for outstanding balances are dated 10.02.18 and are paid in at the January Meeting. Receipts will be available.

Cheques will be banked 12.02.18. That will enable me to comply with the Tour Operators Terms and Conditions of Contract.

There is a new Home Office/Tour Operator form to be completed by each passenger which will be available at the January Meeting. Irritating I know but it is for our own safety and security.

As the holiday draws nearer I think it is timely to ask for details of passengers who need:-
Airport Wheel Chair Assistance - Ground Floor Rooms

Suffer with Coach Travel Sickness

As this is my first Tour - some information please to help me allocate rooms and coach seating

Friends you would like to coach-sit and room near.

Table plans.

Will enquire if it is table allocation for the week or your choice for all meals.

Flight seats - I will enquire as to how theses are allocated and inform you at the March Meeting

Anything I have forgotten please do not hesitate to contact me.

Yes, I am looking forward to our holidays.

Finally may I wish you and your families a Happy and Healthy 2018.
